Sub: Issue of revised PPOs to the BSNL pensioners/Family pensioners, who retired before 10.06.2013, allowing fitment benefit by merger of 78.2% DA/DR with basic pay/pension - Abnormal delay in the offices of Director (Postal Services) all over India in forwarding the revised PPOs to the concerned Post Offices.

Madam,

We have earlier brought to the notice of the Department from time to time how the offices of Controller of Communication Accounts of DOT have failed to manage their systems and as a result a large number of BSNL pensioners are still to receive their revised Pension Payment Orders despite the target dates fixed by DOT is already over. Now we bring to your kind notice about another peculiar problem with all the offices of Director (Postal Services) who are moving very slowly in forwarding the revised PPOs, being received from the CCA Offices, to the concerned Post Offices for payment. Thus, the payment of revised pension is further getting delayed.

2. In view of the above, it is requested that the matter be taken up with Department of Posts so that all the Offices of the Directors (Postal Services) take immediate action to expeditiously forward the revised PPOs received at their end to the concerned Post Offices.

With kind regards,

Yours sincerely,

(S Basu)
General Secretary
