Sub: Introduction of on-line booking system to reserve accommodation in Holiday Homes and Inspection Quarters run by BSNL.

Madam,

The present system to book reservation in Holiday Homes and Inspection Quarters is neither transparent nor easy to follow. The retired employees, in particular, need to take lots of efforts even to send the requisition and mostly these requests are either denied or side tracked without assigning any convincing reason. The system is not transparent either. There is general perception that only the people close to the power can manage to get the benefit.

2. In order to remove the genuine difficulties of the employees – specially the retired employees to get reservation in Holiday Homes and Inspection Quarters, it is requested to introduce on-line booking system. This will also bring in transparency and efficiency in the process of booking.

3. In view of the above, it is earnestly requested to advise all the CGMs and other concerned of BSNL to introduce on-line booking system for reservation of accommodation in Holiday Homes and Inspection Quarters.

With kind regards,

Yours sincerely,

(S Basu)
General Secretary
