Shri Arvind Vanderkar,
Director (HR),
BSNL Board,
New Delhi 110001.

Sub: Provision of concessional FTTH connection at the residences of the retired BSNL employees.

Sir,

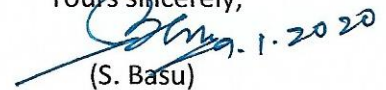

At present besides allowing provision of concessional landline connection and mobile connection in lieu of landline connections in the TNF areas, the retired BSNL employees are also allowed concessional Broad Band connections at their residences. While the retired BSNL employees below JAG level were allowed concessional Broad Band connections at their residences vide BSNL No. 2-06/2005-PHA(Pt) dated 27.06.2012 by Circular No. 01/2012-PHA, the said benefit was also allowed to the retired JAG level and above Officers vide BSNL No. 2-06/2005-PHA(Pt) dated 22.03.2013 by Circular No. 01-2013-PHA. However, no order has so far been issued allowing concessional FTTH connection to the retired BSNL employees at their residences. As a result, the field units are not extending the benefit.

2. The grounds on which concessional land line connection, mobile connections in TNF areas and Broad Band connections were allowed to the retired BSNL employees at their residences also hold good in the case for provision of FTTH connection.

3. In view of the above, we earnestly request you to kindly allow provision of concessional FTTH connection to the retired BSNL employees at their residences and cause early issue an order to this effect.

With kind regards,

Yours sincerely,

(S. Basu)

General Secretary
