Sub: Non-availability of CGHS empanelled Hospitals in Vishakhapatnam - Consequent serious problems being faced by the CGHS beneficiaries.

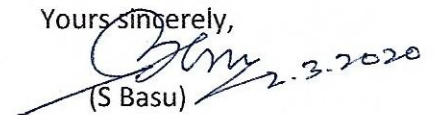

Sir,

We are to bring to your kind notice that in absence of any CGHS empanelled Hospital in the city of Vishakhapatnam of Andhra Pradesh State, the CGHS beneficiaries of the area—specially the pensioners are facing acute problem in getting proper treatment at proper time. In fact, in entire Andhra Pradesh State there are empanelled Hospitals only in Hyderabad and as a result, the CGHS beneficiaries are required to travel a long distance from Vishakhapatnam and other places to reach Hyderabad to get treatment in the CGHS empanelled Hospitals. The problems become acute in cases of emergency needing immediate hospitalization.

2. In view of the above, we request you to kindly intervene in the matter, so that adequate number of hospitals are empanelled under CGHS in Vishakhapatnam to give real relief to the CGHS beneficiaries in general and the pensioners of the area in particular.

With kind regards,

Yours sincerely,
