**Sub: Non-empanelment of fully equipped specialty Hospital for indoor treatment – Case of  
Udaipur Telecom District, Rajasthan Circle.**

Madam,

We are constraint to draw your kind attention to the acute problem that the retired employees of BSNL residing in Udaipur SSA area are facing due to non-empanelment of fully equipped Specialty Hospitals with regular specialist Doctors to attend to the patients admitted for indoor treatment. The empanelled Hospitals now depend on specialist Doctors hired on call basis and delay in their arrival cost the patients very badly since they do not get the treatment when they need the most. Moreover, cashless payment system is hardly available. This puts the pensioners in trouble since they are not given any advance for treatment.

2. In view of the above, we earnestly request you to kindly advise the concerned authorities to empanel those private Hospitals with cashless facilities in Udaipur SSA of Rajasthan Circle which are fully equipped and have regular specialist Doctors for impart treatment as and when needed.

With kind regards,

Yours sincerely,

(S Basu)  
General Secretary
