REVISION OF PENSION/FAMILY PENSION OF PRE-2007 AND POST 2007 BSNL PENSIONERS

The minutes of the 26th Meeting of Standing Committee of Voluntary Agencies held on 3rd February 2015 on the above issue confirms that the matter, though on a slower pace, is moving in the expected line. Ever since the Department of Expenditure partially cleared the DoT's proposal and advised the Department to move a Cabinet Note to get it approved, many people started giving their views that the proposal will get cleared with no time. However, AIBSNLREA correctly apprised one and all that the submission of Cabinet Note would take some time due to some standard practices involved in finalization of a Cabinet Note. We had categorically told that first of all, a draft cabinet note will have to be prepared for which Internal Finance of DoT has to be consulted. Once the Internal Finance gives its concurrence, the Note is to be circulated to the concerned Ministries to get their views for incorporation in the Final Cabinet Note. This Final Cabinet Note is then to be got approved by Minister of Communications & IT and then sent to the Cabinet Secretariat. The Minutes of the SCOVA meeting confirmed the authenticity of the information given by this Association. The Minutes say that "as per the advice of the Department of Expenditure, a Cabinet Note has been prepared and sent to their (DoT) IFD for approval. Department of Telecom

was advised to finalise the draft Cabinet Note and circulate it to the concerned Ministries by the end of February, 2015". This was the status of the case as on 03.02.2015. But the position of the same issue during the last week of February was that the IFD (Internal Finance Division) of DoT had raised some queries and sent back the file which was to be re-submitted by the Establishment Branch with their replies to the queries raised.

Thus given the above position of the case, it is clear that the draft Cabinet Note is yet to be concurred by Internal Finance. At the same time, it is not illogical to expect that the draft Cabinet Note will be finalized and sent to all the concerned Ministries by March 2015 seeking for their comments. Once these comments are obtained, these will have to be incorporated in the final Cabinet Note and put up to the MOC&IT for his approval before it is sent to the Cabinet Secretariat. Our experience with the last Cabinet Note for revision of pension/family pension of the pre-2007 BSNL pensioners is that the comments from Department of Pension & Pensioners' Welfare and Department of Expenditure form important part of the final Cabinet Note. On the last occasion, the Department of Public Enterprises (DPE) refused to comment stating that it has nothing to comment on

pensionary matters. We feel that this time also, the comments of DOP&PW and DOE alone will be given all the importance in the final Cabinet Note. Earlier, we expected the entire exercise to be over by the end of first

quarter of 2015. But now given the changed situation, we are to add at least two more months for completion of the whole exercise.

PERSONAL INCOME TAX

The Union Budget 2015-16 presented in the Lok Sabha on 28.02.2015 did not propose any change in the personal income tax rates or exemption limit. These remain the same as in last year. But this is not the first time that the Government did not raise the basic income tax limit for individual tax payers. During 2000-01 to 2004-05, for consecutive five years, the exemption limit for income tax remained as Rs. 50,000. During 2009-10 and 2010-11, this limit was Rs. 1,60,00. Similarly, during 2012-13 and 2013-14, the basic income tax exemption limit was Rs. 2,00,00. However, Government has not ruled out the possibility of changes in income tax exemption limits or rates in future depending upon its financial strength.

Government, this time has focused mainly on savings. More one can save, more he or she can get benefit of IT exemptions. In the budget, the Government has proposed to raise the transport allowance exemption limit from Rs. 800 per month to Rs. 1600 per month. It has also proposed to increase the limit of deduction on account of health insurance premium from Rs.15,000 to Rs.25,000. In case of the senior citizens, this limit is to be increased from Rs.20,000 to Rs.30,000. For very senior citizens above the age of 80 years, who are not eligible to avail of health insurance, deduction will be allowed for medical expenses up to Rs. 30,000. The deduction limit of Rs. 60,000 on expenditure on account of specified diseases - like cancer etc is to be enhanced to Rs.80,000 in the case of senior citizens. Limit on deduction on account of contribution to a pension fund and the new pension scheme is proposed to be increased from Rs.1 lakh to Rs.1.5 lakh. Additional deduction of Rs.50,000 will be allowed for contribution to the new pension scheme under section 80 CCD of Income Tax Act -- increasing the exemption from Rs.1 lakh to Rs.1.5 lakh. The budget also proposed additional deduction of Rs.25,000 for differently-abled persons, increasing the limit from Rs.50,000 to Rs.75,000. It also proposed to increase the limit of tax deduction from Rs.1 lakh to Rs.1.25 lakh in case of severe disability. Investment in Sukanya Samriddhi Scheme will be eligible for deduction under section 80C of the income tax and any payment from the scheme shall not be liable to tax. These proposals would result in tax deductions to the tune of around Rs.4,44,200 for the individuals as given below:-

(i) Deduction u/s 80C: - Rs.150,000; (ii) Deduction u/s 80CCD: - Rs.50,000; (iii) Deduction on account of interest on house property loan (Self-occupied property): - Rs.200,000; (iv) Deduction u/s 80D on health insurance premium:- Rs.25,000; (v) Exemption of transport allowance - Rs 19,200; Total - Rs.4,44,200.

SENIOR CITIZEN WELFARE FUND

The Finance Minister, in his budget speech, has proposed to set up a Senior Citizen Welfare Fund for the benefit of the Senior Citizens of the country. A huge idle amount of Rs, 9,000 crore – Rs 3,000 crore in the Public Provident Fund (PPF) and about Rs. 6,000 crore in the Employee Provident Fund (EPF) corpus will go into creating this 'Senior Citizen Welfare Fund'. It may be recalled that last year, Department of Pension & Pensioners' Welfare, Government of India had invited the suggestions from all the stake holders in this regard. All the details about this Fund, as and when known, will be circulated for the information of our members/viewers.

EXTENSION OF CGHS FACILITIES TO RETIRED BSNL EMPLOYEES

DOT, vide its Office letter F.No 4-12(11)/2012(PAT) dated 20.02.2014, had earlier conveyed the approval of Ministry of Health & Family Welfare to its proposal to allow the option to either avail the CGHS facilities or to continue with the BSNLMRS by the retired BSNL employees. BSNL, on its part, had also circulated the said Order of DOT vide its No. BSNL/Admn/14-15/09 dated 02.04.2014. Both the above Orders are available in the "BSNLMRS" Section of "IMPORTANT ORDERS" page of this website.

However, there were some problems being faced by the retired BSNL employees to get the CGHS facilities. DOT was finding it difficult to fix the ward entitlement for the retired BSNL employees due to difference in the pay structure in BSNL and Central Government. The matter was last discussed in the 26th Meeting of SCOVA held on 03.02.2015 to sort out the issue. DOT was advised to send a detailed proposal suggesting an alternate mechanism to Ministry of Health and Family Welfare to resolve the issue.
