REVISION OF PENSION WITH FITMENT BENEFIT BY MERGER OF 78.2% DA GETS INVOLVED IN SNAKES AND LADDERS GAME

Even a casual look in the progress of the proposal for “revision of pension/family pension of pre-2007 and post 2007 BSNL pensioners who retired between 1.1.2007 and 9.6.2007 by allowing the benefit of merger of 50% DA effectively amounting to 78.2%” will certainly convince one and all that it has unfortunately got involved in the Snakes and Ladders game. Every time when it appears that the proposal is about to reach the finishing board, it faces a snake on the playing board and slips down further at the bottom point. This time, when everyone was convinced that the proposal will take no time to get through and reach the MOC&IT for his approval before it is sent to Cabinet Secretariat, it unexpectedly lost the direction and failed to reach the target. It may be recalled that the final cabinet note in file was put up to the new Secretary(T) for his clearance before it could be sent to MOC&IT. But as usual, a few opportunistic persons found it the right opportunity for them to strike and plead with Secretary(T) to simultaneously consider the revision of pension of the MTNL pensioners along

with the benefit of merger of 78.2% DA which is not yet implemented in MTNL. Following this, the file was sent back to examine the matter and thus the proposal again faced a snake on the board to go down the bottom.

We know, who are these “well wishers” of the pensioners - now wanting to announce their presence. They are among those who once vehemently opposed revision of pension of the absorbed BSNL pensioners in IDA scale and held series of official meetings with the then Secretary (T) demanding revision of pension only in CDA scale as originally demanded by ITS Association. These are the same people who did not support our demand to extend the benefit of 50% merger of DA to the absorbed BSNL pensioners/family pensioners which was ordered by DOT for the serving employees of BSNL. They remained unmoved even by the fact that in case of the Government employees and its pensioners/family pensioners, no such discrimination was made. These are the same people who remained totally [contd]

indifferent when the fitment benefit by merger of 50% DA effectively amounting to 78.2% was implemented in BSNL w.e.f. 1.1.2007 only for those who were in service on or after 10.06.2013, but NOT to those who retired after 1.1.2007 but before 10.06.2013, even though these employees were also in service on 1.1.2007 i.e. the day on which the revised fitment benefit of 78.2% IDA in lieu of 68.8% IDA was allowed in the revised IDA pay scales. How can a section of the employees receive revised IDA pay scales with fitment benefit by merger of 78.2% IDA and the other section with fitment benefit by merger of 68.8% IDA, even though all these employees were in service on 1.1.2007 i.e. the date when the revised IDA pay scales were implemented in BSNL ? Had this discrimination been not allowed to take place, today at least this section of the

pensioners would not have continued to suffer.

Now the question comes whether these people did not know that MTNL, at present, has no case for revision of pension with fitment benefit by merger of 78.2% IDA since this benefit has not been implemented for the serving employees of MTNL till this date? This question may be better replied by these people only - who themselves declare the issues as settled on having the glimpses of the Officers on the 'corridor' of buildings. But the fact remains that these people are continuing to damage the interests of the BSNL pensioners – knowingly or unknowingly.

Now that the issue is in right track, it is hoped that no one will again make a move to play Snakes and Ladders game with an intention to ensure that the proposal again faces a snake.

NO HIKE IN IDA W.E.F. 1.4.2016

According to calculations based on All India Consumer Price Index for Industrial Workers, there will be no increase in IDA w.e.f. 1.4.2016 for both the CPSEs where last pay revision was implemented w.e.f. 1.1.2007 and where last pay revision was implemented w.e.f. 1.1.1997.

ISSUES TAKEN UP

AIBSNLREA WRITES TO PRIME MINISTER OF INDIA URGING TO STRENGTHEN THE GRIEVANCE REDRESSAL MECHANISM OF THE PENSIONERS AND ALSO TO SET UP SEPARATE TRIBUNAL EXCLUSIVELY FOR THE PENSIONERS TO EXPEDITOUSLY SETTLE THEIR GRIEVANCES:

AIBSNLREA has written a letter to Hon'ble Prime Minister of India highlighting the failure of the existing grievance redressal mechanism for the Pensioners and urging to "create a separate

Tribunal in all important cities exclusively for the Pensioners which can hear the petitions of the aggrieved pensioners expeditiously and give judgment. To begin with, separate courts exclusively for the pensioners be created in all the benches of Central Administrative Tribunals". This is the follow up action of the editorial that AIBSNLREA had published in its March 2016 issue of e-journal "Second Innings". The Association has also requested all the Pensioners' Associations which are now connected with SCOVA to take up the issue at their level. "RESTORE THE RATE OF INTEREST ON THE DEPOSITS UNDER SENIOR CITIZENS SAVING SCHEME" - AIBSNLREA APPEALS TO THE PRIME MINISTER: AIBSNLREA has written a letter to Hon'ble Prime Minister of India expressing serious concern and deep anguish of the pensioners on the decision of the Government to reduce the rate of interest on deposits in Senior Citizens Saving Scheme unmindful of its impact on the pensioners who just try to manage their livelihood by investing their life-time savings in the 5 year Senior Citizens Savings Scheme, since the pension being received is inadequate to meet their need. AIBSNLREA has further appealed to the PM "to kindly restore the rate of interest on the deposits under Senior Citizens Savings Scheme and remove the gloom that has descended on the face and souls of the pensioners". [\[Posting dated 21.03.2016 in this website may be viewed to read the letter\]](#)

AIBSNLREA WRITES TO SECRETARY(T) EXPRESSING DEEP ANGUISH AND DISSAPOINTMENT OF THE BSNL PENSIONERS DUE TO SUDDEN INTERRUPTION IN THE PROCESS OF CLEARING THE CABINET NOTE FOR MUCH AWAITED REVISION OF PENSION OF THE BSNL PENSIONERS RETIRED BEFORE 10.06.2013: AIBSNLREA has since written a letter to Secretary (Telecom) expressing deep anguish and disappointment of the BSNL pensioners "due to sudden reversal of the process to send a Cabinet Note to allow revision of pension with fitment benefit by merger of 78.2% DA to the absorbed BSNL pensioners which became due following extension of fitment benefit of 78.2% DA for re-fixation of pay of the serving employees of BSNL." It may be recalled that the final cabinet note in file was put up to Secretary(T) for his clearance before it could be sent to MOC&IT. It is reported that a few opportunistic leaders found it right opportunity to plead with Secretary(T) to simultaneously consider the revision of pension of the MTNL pensioners along with the benefit of merger of 78.2% DA which is not yet implemented in MTNL. Following this, the file was sent back to examine the matter. In our letter, we have pointed out that there is no case for revision of pension for the retired MTNL employees as at present since the fitment benefit with merger of 78.2% DA has not been implemented even in respect of the serving MTNL employees. Besides other issues, we have also pointed out that "revision of pension of pre-2007 BSNL pensioners following revision of pay scales of the BSNL employees w.e.f. 1.1.2007 was ordered first. The case of MTNL pensioners, at that time, was not tagged with the case of the BSNL pensioners". Finally, we have requested Secretary (T) "to kindly get the Final Cabinet Note for revision of pension of the absorbed BSNL pensioners with

fitment benefit by merger of 78.2% sent to appropriate authority for early clearance”. [\[Posting dated 20.03.2016 in this website may be viewed to read the letter\]](#)
