PAY REVISION FOR BSNL EXECUTIVES

Being an Association of the pensioners, we also do have a stake in the revision of the pay scales of the CPSE Executives - more precisely of the revision of pay scales of the BSNL Executives. We know that absorbed BSNL pensioners/ family pensioners will get their revision of pension only when the pay revision of the serving BSNL employees takes place. The fitment benefit both for pay scales revision and pension revision and date of their effect are to be the same. At least, unlike some knowledgeable persons, we know that as per the settled law of the land based on various Court Judgments, there cannot be any disparity between pension drawn by the past pensioners and future pensioners. That is why the pension is revised whenever there is pay revision of serving employees. BSNL Pensioners/ family pensioners, therefore, will get pension revision only when there is pay revision for the serving BSNL employees, which is due on 1.1.2017. 'No disparity' means that a past pensioner should not get less pension than a future pensioner. Similarly, a future pensioner must not get less pension than a past pensioner.

We all know that Department of Public Enterprises has issued the much awaited OM notifying the revised pay scales for the

CPSE executives. Now it is left to BSNL and DOT to get the same implemented for the BSNL Executives. Yes, there is a rider in the shape of an "affordability" condition in the OM which virtually gives an option to the CPSEs and their administrative Ministries to choose the fitment benefit in new scales from three alternatives of 15%, 10% or 5% as in the OM or even defer the pay scale revision. But given the strategic position of BSNL in implementing the policies of the Government to meet its social obligations which are mostly not remunerative and also on other grounds, the affordability clause is not actually a threat for revision of pay scales with 15% fitment benefit. During last pay revision w.e.f 01.01.2007, even in MTNL, which was a chronic loss-making CPSE for years, the pay revision was allowed with maximum recommended fitment benefit of 30%. The affordability clause existed then too. Moreover, Government had decided while allowing payment of pension by the Government to the MTNL employees that the pay of the MTNL employees would be brought at par with BSNL employees in next pay revision. This cannot be achieved without revising the pay scales of BSNL executives, since MTNL Executives are already drawing one stage higher pay scales than those drawn by the BSNL Executives. Further, BSNL

administration has already assured on number of occasions and even written to DOT in favour of revision of pay scales of BSNL Executives as per 3rd PRC recommendations. The Ministry is also reported to be inclined to agree to this.

Now it is said that an Internal Committee of senior BSNL Officers, which was constituted to examine and propose pay scale revision, has already completed its assigned task. The proposal is first to go to the Management Committee of BSNL for

approval. Thereafter, this will be examined by one "Remuneration Committee" of BSNL and then the same will be put up before the BSNL Board for according approval to send the same to DOT for final approval. This may not be a long drawn process provided no unnecessary hurdles are created. Till then we have no option but to keep our fingers crossed. Once the issue becomes ripe we shall certainly ask DOT to take every step to issue pay revision and pension revision Orders simultaneously.

FINANCIAL CONTRIBUTION

We earlier made a request through our website to our members and well-wishers to contribute liberally and at least Rs.500 each to help us in our effort to get the injustice meted out to the absorbed BSNL pensioners and even those still in service, in the matter of fixation of pay/pension with fitment benefit by merger of 78.2% IDA w.e.f. 01.01.2007, removed. But even before we gave this call, some members volunteered to donate some amount on receiving their revised pension arrears which we have kept separately in our Account. This amount is kept in Reserve Fund and is intended to be used for holding the next AIC when due. Meanwhile, contributions have come from some individuals and Branches for the Fund for which we made the request. We have been informed that many branches are in the process of collecting the donations. We request these branches to deposit the amount collected so far in our S/B Account and continue their efforts to reach other members for further collections. Names and last designation of the contributors should also be mailed to us without delay. Individuals can, as usual, contribute directly, communicating the details of payment with their name, last designation and postal address. We first uploaded two separate lists of the contributors as on 15.08.2017 – one for those who contributed on receiving their revised pension arrears (LIST 1) and the other who contributed for seeking legal remedy in the matter of denial of the just benefits out of fixation of pay/pension with fitment benefit by merger of 78.2% IDA (LIST 2). Thereafter, we have uploaded in this website for the information of the members. We once again request the Branches/Members/Well-wishers to expedite remitting contribution. ISSUE OF REVISED PENSION PAYMENT ORDERS BY THE OFFICE OF PRINCIPAL CCA, MAHARASHTRA

It is now reported that most of these cases have been solved and rest are in pipeline. Thus active persuasion by the Association could help the pensioners, whose revised PPOs were to be issued by the office of Principal CCA, Maharashtra, to get their revised PPOs and payment.

addressed to General Secretary, AIBSNLREA, the o/o Principal CCA, Maharashtra has informed that “all the cases of the pensioners who retired before 10.06.2013 have been revised”. GOVERNMENT AND BSNL ORDERS

DPE FINALLY ISSUES ORDERS FOR IMPLEMENTATION OF GOVERNMENT DECISIONS ON THE RECOMMENDATIONS OF THE THIRD PAY REVISION COMMITTEE: DPE has finally issued orders for implementation of Government decisions on the recommendations of the Third Pay Revision Committee on Pay revision of Board level & below Board level Executives and Non-unionised Supervisors of Central Public Sector Enterprises w.e.f. 1.1.2017. Government has not made any major changes in the recommendations, including regarding Affordability and 5%, 10% and 15% fitment for different categories of CPSEs. Now it is to be seen as to how BSNL pushes forward its case for pay revision with 15% fitment for its Executives, since BSNL does not fall into any of the three categories and also is not a sick CPSE. It is to be recalled that MTNL Executives were given 30% fitment benefit in the Second Pay Revision w.e.f. 1.1.2007, despite the fact that MTNL was incurring consecutive losses for several years before. The Association had pleaded that 'free night calling' facility should include STD calls. [View posting dated 09.07.2017 in this website to read the representation]. BRANCHES IN ACTION

COIMBATORE BRANCH OF AIBSNLREA HOLDS A SPECIAL MEETING: A special meeting organized by the All India BSNL Retired Executives Association of Coimbatore, Tamilnadu was held under the Presidentship of Shri M. Ponnuswami, DGM (Retired) on 19th August, 2017. In his Presidential address, Shri M. Ponnuswami spoke about the inauguration of AIBSNLREA at Coimbatore and its necessity and welcomed Sri. S. Ratnasubramanian, DGM (Retired) & Asst. General Secretary of AIBSNLREA and Shri R. R. Balasubramanian from Chennai. Shri R. Damodaran, Branch Secretary welcomed the gathering. He listed the issues relating to the retired executives of Coimbatore viz. Pay protection for the local officiating prior to the notification of Executive Promotion Policy on 18-1-2007, 3% increment cases of 58 executives and their pension revision, Refund of wrongful/excess recovery and the orders of DoT rescinding the provision in EPP for one increment on Regular promotion in the same scale and its effect on retired executives.

Shri R.R.Balasubramanian, in his speech lauded the activities of Coimbatore AIBSNLREA branch and explained the present status of issues like, refund of excess/wrong recovery, protection of pay of those who were officiating prior to issue of EPP, cases of enhancement of DCRG and restoration of without voucher facility. He explained as to how the orders issued by the DOT rescinding a para in EPP is defective and unwarranted. He said that DoT was still issuing orders of promotion from Sr.AO to ACAO, both carrying same scale of pay, allowing the benefit of second pay fixation. He said that BSNL has so far not endorsed the DoT orders and we expect that BSNL will request DoT to review its orders. In his elaborate speech Shri S. Ratnasubramanian AGS, covered all issues related to BSNL Pensioners, which included 78.2 fitment benefit, the basics for pension revision and implementation of 3rd PRC. He explained that BSNL cannot be denied pay revision with 15% fitment benefit as the loss making MTNL got 30% fitment benefit in the 2nd PRC. He explained how 78.2%, the benefit of 50% DA merger came to light and there is no justification to deny the arrears from 1-1-2007 treating it as notional. AIBSNLREA is in the process of filing a case to get the arrears with fixation on actual basis. He appealed to all Executives to contribute towards the legal expenses to be incurred.
