Grievance Description

In this attached representation, we have brought out the fact that a large number of BSNL VRS-2019 retirees, who retired on 31.01.2020, are yet to receive their Group Savings Linked Insurance amount from the LIC which they were supposed to receive immediately on their retirement. According to the terms and conditions of the Scheme, the membership of the scheme in respect of a member shall terminate upon the Member ceasing to be in the service of the Employer, either on superannuation or voluntary retirement and Upon termination of the Membership, the Life assurance benefit of the member shall cease forthwith and the amount at his credit in the Running Account as determined in Rule 8(ii) shall become payable. Though the above issue was brought to the notice of the authorities concerned in BSNL Corporate Office, no action seems to have been taken to resolve the matter. Moreover, many Circles, including BSNL Corporate Office, are yet to forward a good number of cases to LIC for payment. It is requested that BSNL advise all its Circles to forward the remaining cases to LIC and the LIC be also asked to make payment of all the claims received by it at the earliest.
