In reference to above noted subject, I am directed to state that BSNLMRS policy is under effect for all working and retired employees along with option of migrate to CGHS scheme to eligible retired employees.

In case of Group Health Insurance Scheme, premium for all the participant is to be paid/ forwarded to the Insurer through a single point of contact. For working employees of BSNL, this payment of premium is to be deducted from salary and paid to Insurer whereas for Retired employees' deduction of premium amount is not possible by BSNL. As such, Group Health Policy is not technically feasible for them through BSNL. However, Retired BSNL employees can take part in any group Health Insurance scheme on its own either individually or through a Volunteer group.

It is also intimated that the issue raised by you regarding suitable and comprehensive Mediclaim policy by Government PSU Insurance Company for retired employees in lieu of Indoor treatment under BSNLMRS is policy matter. However, your suggestions have been noted.

This is issued with approval of competent authority.
