Dear Sir,

Sub: Non Issue of Pension slips and Income Tax deducted
Ref: Your letter AIBSNLREA/CHQ/2018/51 DT 25.09.2018

This has reference to your above letter regarding non issue of pension slips by our branches in the state of Kerala.

We have issued suitable instructions to all our branches to issue the monthly pension slips to pensioners as and when pensioners visit the branches. Pensioners can also obtain pension slips from any of our branches. The pension slip contains details of TDS deducted. We have taken steps to send SMS to pensioner's registered mobile every month with breakup details of pension. Steps are also taken to send the PENSION SLIP to the registered e-mail of the pensioner.

As regards to income tax deducted, in case of any discrepancy between TDS amount deducted and TDS amount not reflected in 26AS, the pensioner may take up with the branches so that the branches will verify the correctness of the issue and forward the same to us for filing necessary correction returns. We have also advised our branches to verify and update correct PAN number in the pension accounts so as to reflect the TDS deducted in form 26AS.

With regards
