Dear Sir,

Kindly refer to your grievance registered under the above docket number. The said grievance was forwarded to the concerned service provider who has intimated that : As per Rule 33 of CCS(Pension) Rules, 1972, the emoluments to be reckoned for the purpose of pension is the basic pay, which the Government Servant was receiving immediately before his/her retirement. Further, as per rule 34 of Pension Rules, average emoluments shall be determined with reference to the emoluments drawn by a Government servant during the last 10 months of his service for calculation of pension. Since, the increment which would have become due after the date of retirement has never been granted, the same cannot be considered for pensionary benefits purposes.
