I am enclosing herewith a representation from the employees of BSNL regarding revision of pension on IDA (Industrial Development Allowance) pattern to the ex-employees of DoT, DTO and DTS who were absorbed in Bharat Sanchar Nigam Ltd. The employees have submitted that the Department of Telecommunication has decided to seek the approval of Cabinet for payment and revision of pension on CDA (Central Dearness Allowance) pattern to the absorbed employees in BSNL/MTNL although they are entitled for pay and pension on IDA pattern as per provisions under Rule 37-A of CCS Pension Rules 1972. Employees have further submitted that the payment of pension to the absorbed employees and its revision has to be only on IDA pattern. It has been requested that the proposal for seeking the approval of Cabinet for payment of pension to the absorbed retired employees of BSNL and its revision on CDA pattern may be dropped and the revision of pension to these absorbed employees who retired between 1.10.2000 and 31.12.2006 may be done on IDA pattern.

Kindly consider the representation sympathetically.

Yours sincerely,
Sd/-
