No.6-16/2002/TA-I/Vol.III / 2500-2501 (dated 10-10-2012)

Government of India

Ministry of Communications & Information Technology
Department of Telecommunications
Sanchar Bhawan, 20 Ashoka Road,
New Delhi-110001

Sub: Implementation of Single Window System of Pension Disbursement by DOT through Central Pension Processing Cells of Public Sector Banks – regarding.

Department of Telecommunications has entered into MOUs with all Public Sector Banks except Bank of India (as it is not ready with its CPPC) for introduction of Single Window System of Pension disbursement to DOT (CDA)/BSNL (IDA) Pensioners w.e.f. 01.10.2012. The existing procedure of Pension disbursement through Public Sector Banks has been modified and approved by the Competent Authority in Department of Telecommunications and accepted by CGA, RBI and 24 Public Sector Banks. The modified procedure is enclosed herewith for adoption with effect from 01.10.2012. The procedure can also be downloaded from <http://www.dot.gov.in/>.

2. The revised procedure shall be applicable to the existing DOT / BSNL Pensioners as well as the new telecom pensioners desiring to draw their pension from any public sector bank.
3. The new system envisages removal of restrictions on different banks which are at present allotted to different State/Circles in order to help the pensioners to have wider choices of pension disbursement authorities. All the Public Sector Banks are now allowed to disburse pension to DOT /BSNL pensioners in all the States/ Circles.
4. The modified procedure has done away with the existing system of "LINK BRANCH" and "FOCAL POINT BRANCH" concept. The Central Pension Processing Cells (CPPC) of the public sector banks shall take over the functions of the link branches and focal point branches of the banks. The pension authorizing authorities ie., the CCAs henceforth shall send the PPOs to the designated CPPCs of the banks who in turn will send the PPOs to the paying branches of the banks. The CPPCs will also credit the monthly pension directly / centrally to the accounts of the pensioners maintained at the paying branch of the bank. The responsibility of making available the scrolls to each CCA will be that of the concerned CPPCs. RBI monthly statement thus shall be available to the CCAs accordingly.
5. In order to implement the modified procedure, all the CCAs are advised to circulate the signatures of the PPO signing and countersigning authorities of their establishments to all the CPPCs of all public sector banks and other CCAs/Pr.CCAs. The CCAs are also advised to communicate their postal address to the CPPCs of the 24 public sector banks in order to receive the scrolls in time. The address, e-mail and phone numbers of all the CPPCs is enclosed at Annexure-I.
6. The banks have been advised to identify a nodal branch at each CCA HQr for coordination purpose. The CCAs may collect the detail information of the nodal branches of the Public Sector Banks and the corresponding coordinating officers for appropriate coordination to establish a mechanism for pensioners grievance redressal at Circle level.

7. Pensioners data as available with CCAs may be reconciled with the data available from the CPPCs of the Banks. Once the PVA software is implemented in CCA offices , the data on pension disbursement by Banks (scrolls) may be collected in soft form and reconciled with RBI figures to complete the process of auditing in a computerized environment.

8. The revised procedure may be followed with effect from 01.10.2012.
