Sub: Grievances of the absorbed BSNL IDA pensioners- Resolutions adopted in the All India Conference of AIBSNLREA held at Kolkata on 7th and 8th January, 2023 seeking intervention of Hon'ble Prime Minister of India in respect of "Inadequate availability of Ayurvedic and Homeopathy medical facilities in the wellness centres under CGHS."

Hon'ble Sir,

In the recently concluded All India Conference of this Association held at Kolkata on 7th and 8th January 2023, in which a large number of delegates from all over the country participated, widespread frustration and disappointment were expressed by many of the participants due to non-settlement of grievances of the pensioners in general and BSNL IDA pensioners in particular. The Conference also discussed about the financial crisis faced by BSNL in spite of two Revival Packages announced by the Government and identified certain areas in which specific action by the Government is considered crucial.

2. The Conference was unanimous in deciding to seek the intervention of Hon'ble Prime Minister of India to get these issues resolved, since the concerned Ministries/Departments in many instances close the grievance with irrelevant replies rather than attempting to resolve them. The Conference adopted as many as 16 Resolutions on different issues and we now take this opportunity to submit the Resolution No. 15, which pertains to Department of Health & Family Welfare, regarding **Inadequate availability of Ayurvedic and Homeopathy medical facilities in the wellness centres under CGHS**, detailed in the enclosed resolution for your kind consideration and advising DoH&FW to order the improvements at the earliest.

With kind regards,

Yours sincerely,

THIRD ALL INDIA CONFERENCE HELD AT KOLKATA ON 7th AND 8th JANUARY 2023
RESOLUTIONS

ACTION REQUIRED BY DoH&FW

15. Inadequate availability of Ayurvedic and Homeopathy medical facilities in the wellness centres under CGHS.

The third All India Conference of AIBSNLREA, which is in session in Kolkata on 7th and 8th January 2023, finds with great dismay that the CGHS authorities have not taken any positive step to provide adequate Ayurvedic and Homeopathic treatment facilities in its wellness centres in the cities where CGHS network is now available. As a result, the CGHS beneficiaries, desirous of going for Ayurvedic or Homeopathic treatment, are being compelled to take either allopathic treatment or go to the private practitioners. It is regretted that when the Government is encouraging such alternative medicine, its own Ministry of Health & Family Affair is making no effort to make available the facilities to the CGHS beneficiaries. The House further resolved to request the authorities to provide facilities for Ayurvedic and Homeopathic treatment in maximum number of its Wellness Centres, if not in all.
