IS IT INDIFFERENCE OR CALLOUSNESS ON THE PART OF DOT

As the current state of affairs indicate, finalization of draft Cabinet Note on the proposal to extend the fitment benefit of merger of 78.2% IDA to the pre-2007 BSNL pensioners and those who retired between 01.01.2007 and 09.06.2013 is getting further delayed. DOT now wants information regarding number of pre-2007 BSNL IDA pensioners and post 2007 BSNL IDA pensioners (cadre/grade wise) who retired between 01.01.2007 and 09.06.2013 vide its No. 40-13/2013-Pen(T) dated 13.03.2015 and has accordingly asked BSNL to supply these information. On the last occasion when the Internal Finance returned the concerned file to the Establishment Branch raising some queries, the Branch was confident to supply the same within a few days. But surprisingly now the same Branch wants the help of BSNL to provide the above particular information. This raises genuine doubts on the seriousness on which the issue should have dealt in DOT. The matter is already over delayed. Now, further delay seems to be unavoidable.

Unfortunately, DOT's very decision to implement the DPE OM for granting fitment benefit of 78.2% IDA w.e.f 1.1.2007 for revision of pay scales from a prospective date i.e. 10.06.2013 itself was

faulty. Then, BSNL implemented the DOT's Presidential Directive dated 10.06.2013 only for its serving employees w.e.f. 1.1.2007 but denied the same to those employees who were in service on 1.1.2007 and retired before 10.06.2013. This is a blatant case of discrimination. Because these employees were also in service on 1.1.2007 and got the benefit of revised IDA pay scales along the employees who retired after 10.06.2013. Had they also been granted the revised fitment benefit, to-day the situation would have been altogether different. Moreover, these employees who retired between 1.1.2007 and 09.06.2013 are also under the threat of being denied the benefit of enhanced DCRG, Commutation and leave encashment. Thus, DOT has already done the maximum damage to the affected retired employees. Now delaying revision of pension with revised fitment benefit by merger of 78.2% DA, it is further damaging the interest of these retired employees.

The latest action of DOT to ask BSNL to furnish the above stated information is really shocking and uncalled for. In respect of the pre-2007 retirees, DOT is already having these information which they must have used for calculation of financial implication while finalizing [\[see next page\]](#)

the Cabinet Memo in 2011 for revision of pension with fitment benefit of 68.8% DA. In respect of later group of retirees, such information should also be available with the CCAs i.e. DOT since Pension Payment Orders are being issued by them. Therefore, DOT is just killing the time. We have never seen such type of indifference and callousness earlier. This is just not acceptable.

AIBSNLREA, on its part, has already appealed to the Hon'ble Prime Minister for intervention since no result was forthcoming by approaching even the Secretary (Telecom) and Minister of Communications & IT. It seems that unless there is a pressure from the higher ups, the Department of Telecommunication and in that sense Ministry of Communication will not wake up.

CIRCULATION OF CABINET NOTE FOR REVISION OF PENSION TO BE FURTHER DELAYED - DOT WANTS FRESH INFORMATION

Department of Telecommunication has since asked Bharat Sanchar Nigam Limited to provide the information regarding number of pre-2007 BSNL IDA pensioners and post 2007 BSNL IDA pensioners (cadre/grade wise) who retired between 01.01.2007 and 09.06.2013 vide its No. 40-13/2013-Pen(T) dated 13.03.2015. BSNL on its part, vide its No. 48-04/2015-Pen(B) dated 26.03.2015, has asked the Circles to furnish the same information to it. This is believed to be in connection with finalization of the draft Cabinet Note by DOT for revision of pension/family pension of the concerned pensioners/family pensioners. Thus, the circulation of Cabinet Note to the concerned Ministries will be further delayed. [View posting dated 28.03.2015 in this website to read the letters.](#)

INCREASE IN IDA W.E.F. 1.4.2015

According to calculations based on All India Consumer Price Index for Industrial Workers, IDA is to be increased w.e.f. 1.4.2015 by 0.2% for CPSEs where last pay revision was implemented w.e.f. 1.1.2007 and by 0.5% where last pay revision was implemented w.e.f. 1.1.1997. Though marginally, this year the IDA has registered an increase compared to 1.4.2014 when IDA was decreased by 2.1% where last pay revision was implemented w.e.f. 1.1.2007 and 3.6% where last pay revision was for implemented w.e.f. 1.1.1997.
