FOREWORD

Some members had been suggesting for some time past to publish and circulate one monthly house journal on behalf of AIBSNLREA. However, because of limited developments taking place and the huge cost and man power involved in the process, the publication of a regular journal was not found justifiable. Moreover, all important developments are regularly appearing in our website. Thus the House journal would have been just a compilation of all those news at one place. Anyhow, after a careful thinking on the issue, we have now decided to bring out an e-journal every month instead of going for printed journal. Those who intend to have hard copies of the same, can take print-outs and preserve them. Otherwise, these will be available in its original form in a special page called "e-journal". This journal is named as "Second Innings" and we hope to add new features to it in the coming months.

DEAD END?

The DoT's proposal for extending the benefit of merger of 78.2% IDA for the purpose of fixation of basic pension of all those who retired before 10.06.2013 seems to have reached a dead end. Though DoT could manage to get the clearance to its proposal from Department of Pension & Pensioners' Welfare, it could not pass the test of scrutiny by Department of Expenditure under Ministry of Finance. DoT has not been able to send any convincing reply to the queries as raised by the Department of Expenditure. Perhaps, even the Internal Finance of Department of Telecommunication is having doubts whether the reply will satisfy the Department of Expenditure at all. The present problem started with some genius leaders spearheading an aggressive campaign to call the Presidential Directive dated 10.06.2013 issued by DOT as if it was for extending "notional" benefit. They started an open research work extensively quoting rules and orders to prove their point. They also started interaction with Department and thanked for the unique Order issued by it. In DoT, there are some Officers who also feel that God has given them super intelligence and they grabbed the opportunity and drafted a proposal to give all the pensioners retired before 10.06.2013 notional benefit of DPE's OM dated 02.04.2009 for extension of merger of 78.2% DA for pay fixation w.e.f. 1.1.2007. Thus they unnecessarily complicated the issue.

Our Association had been telling all these days that the question terming the Orders as "notional" does not arise. The DPE OM dated 26.11.2008 revising the IDA pay scales of the Executives/Supervisors of CPSEs with merger of 68.8% DA for fixation benefit was a regular pay revision order. Similarly, the DPE OM dated 02.04.2009 modifying its earlier OM to replace merger of 68.8% DA with 78.2% DA and few more was also a regular Order. There was no reason that one should call those Orders or even the Presidential Directive dated 10.06.2013 as notional.

No doubts that afterwards, a few big pundits started speaking opposite to their earlier stand. The present situation is similar to the one when all started advocating for pension revision of pre-2007 BSNL pensioners on CDA pay scale instead of IDA scales. At that time also, this Association alone held its ground that pension revision has only to be on IDA pay scale. Afterwards, many of these pundits also changed their track. Finally, the pension revision was allowed only in the IDA scale.

Though the over enthusiastic researchers have contributed their might to the present stalemate, we will have to strive hard to come out from this dead end.

CAMPAIGN FOR INDIVIDUAL APPEAL TO HON'BLE PRIME MINISTER OF INDIA URGING HIM TO RESOLVE THE LONG PENDING ISSUE OF RE-FIXATION OF BASIC PAY/PENSION WITH THE BENEFIT OF MERGER OF 78.2% IDA

AIBSNLREA has launched a campaign for individual appeal to be made to Hon'ble Prime Minister of India urging him to resolve the long pending issue of re-fixation of basic pension with the benefit of 78.2% IDA. The Association has requested all the BSNL Pensioners in general and members of this Association in particular who retired before 1.1.2007 and between 1.1.2007 and 09.06.2013 to send the personal appeal to Shri Narendra Modi, Hon'ble Prime Minister of India with a copy endorsed to Shri Ravi Shankar Prasad, Minister of Communications & IT, Law & Justice requesting his personal intervention in resolving the re-fixation of their basic pension with the benefit of merger 78.2% IDA. The draft appeals for these two distinct categories of pensioners have also been circulated. The pre-2007 absorbed BSNL pensioners are to get their pension re-fixed with 78.2% IDA with effect from 01.01.2007. But those who retired between 1.1.2007 and 09.06.2013 are eligible to get their basic pay fixed with 78.2% IDA in revised IDA pay scale w.e.f. 01.01.2007 which ensures re-fixation of their basic pension on the date of their retirement. AIBSNLREA has further requested to send the appeals directly by ordinary post to the Hon'ble PM and Minister of Communications at the given address on 03.06.2014. However, those who cannot send this on 03.06.2014 may send the same within next couple of days. *To view the draft appeals, posting dated 29.05.2014 in the website of AIBSNLREA may be viewed.*
