ABHA LINKING EPISODE – NEED TO KEEP VIGIL

When the CGHS Directorate issued an Office Memorandum on 28.03.2024 mandating linking of CGHS card to ABHA card, there was large scale outrage amongst the CGHS beneficiaries. It was AIBSNLREA which first raised the concerns and apprehensions of the pensioner beneficiaries in such linking, writing to CGHS Directorate immediately. All the pensioners associations across the country followed suit, with one BSNL pensioners association copying the entire text of AIBSNLREA letter while conveying its concern. While this O.M. wanted the exercise to be completed by the end of April, CGHS issued another O.M. on 14.04.2024 extending the date up to 31st October 2024, sensing the outrage and also understanding its own unpreparedness. We again wrote to DG CGHS requesting that such linking should continue to be voluntary.

Only a year earlier, in March 2023, CGHS had wanted the linking to be done by CGHS beneficiaries but it was not compulsory. Even then there were doubts and concerns as to whether this was a prelude to CGHS planning to force the beneficiaries to seek medical care from hospitals under Ayush Bharat Scheme, instead of empanelled private hospitals. CGHS was not able to specify the benefits that would accrue to the CGHS beneficiaries. Linking with ABHA is not going to alter the long lines in our

wellness centres in any way. Also, with CGHS functioning already computerised, connecting all wellness centres and all the empanelled hospitals on-boarding in the computerised system, we felt that there is no need for making the linking mandatory. On the other hand, the concerns about safety and security of their medical records, the CGHS beneficiaries becoming pawns in the hands of private hospitals and private insurance companies remained unaddressed. We also pointed out that making it mandatory for CGHS beneficiaries while ABHA is voluntary for all other Indian citizens, will be unjust and discriminatory.

After the new Government took over, we wrote to the new Minister of Health & Family Welfare immediately after he took charge, requesting to get both the O.Ms withdrawn, in view of various concerns raised by us. A week later, the Health Ministry issued orders keeping in abeyance the CGHS O.M. dated 28.03.2024, till further orders. This has given great relief to the CGHS beneficiaries, though the O.M has only been kept in abeyance and not been withdrawn. As we know, no Government order will say its earlier order is withdrawn and keeping in abeyance is

only a terminology used to permanently put on hold the issue involved. But we need to keep a watch, if only we understand the background behind the decision to make linking of CGHS card with ABHA card mandatory.

Central Government Health Scheme already collects and processes the personal data of CGHS beneficiaries through the Electronic Health Record application of CGHS. The Data is collected in the following manner: The CGHS Beneficiary provides their personal data (self and family) for creation of CGHS Beneficiary ID. Medical records are created in the CGHS database, whenever the CGHS beneficiaries consult Medical Officer at CGHS Wellness Centre. Similar data is created, whenever the beneficiary is prescribed medicines, gets issued a medical certificate & referral to Health Care Organisation. So, there is no need for one more system for the CGHS beneficiary to digitally store his medical records.

According to a Note on discussions on the matter in CGHS, *“With an intent to upgrade the functionality of the already digitized system of CGHS, i.e. to make the application system more interoperable with other healthcare providers, the facility to link ABHA was made operable in January 2023, but the*

linking was voluntary and not mandatory. However, out of 45 Lakh beneficiaries, as on 21.3.2024, only 19,790 individuals had linked their ABHA ID with CGHS Beneficiary ID.” This was one of the reasons for the decision to make ABHA linkage with CGHS ID mandatory. The alarming part of the decision was that *“the CGHS cards that have not been linked to ABHA may be auto blocked, after giving a relaxation till 30/04/2024.”* Also, the ongoing discussions in the Health Ministry about *“Running of wellness centres on public private partnership”* is a cause for serious concern.

Despite the fact that CGHS facility is limited to a very few cities till now and despite the shortcomings in functioning of CGHS wellness centres which include lack of adequate number of wellness centres leading to long waiting time, shortage of doctors and staff members in many wellness centres and very small number of empanelled hospitals, CGHS continues to remain a valuable healthcare option to the BSNL absorbed pensioners. While we will keep up our efforts to seek and bring more improvements in CGHS working based on input from our members, we need to keep vigil and stay alert to guard against any attempt to dilute the Government role in running the CGHS as an effective Healthcare mechanism. ⊖

Important Developments of the Month

A virtual meeting of AIBSNLREA CHQ office bearers was held on 03.06.2024 under the Presidentship of Shri V.Chinnappiah, CHQ President. One minute silence was observed in memory of veteran leader Shri R.S.Arora, former State Secretary, Uttar Pradesh. President, in his address mentioned that the JS DoP&PW wanted to visit AIBSNLREA CHQ office at Chennai on 30th May 2024, but we had to convey our inability to receive him since the GS

was out of station. In response to our email conveying our disappointment over the lost opportunity, JS DoP&PW has conveyed that "I was looking forward to meeting you." GS then listed the developments during May 2024, the visits by AGSs Shri V.P.Arya and Shri Rakesh Sethi to DoT HQ, BSNL CO respectively, resolution of the grievance of Shri B.M.Nyamati, possible resolution of grievance of Shri M.N.Chavda, improvement in the status of issue of VC in respect of Shri H.S.Sutaria and the healthy gesture of AIBSNLREA East Godavari Branch in donating 10 chairs to CGHS wellness centre, Rajahmundry. GS expressed satisfaction that the association was able to help even non-members, sometimes retired non-executives reaching out to us after getting the GS mobile number by googling. At least one or two such calls are received every week. OS (N) Shri S.K.Aggarwal shared details of how he was able to help an 87 years old pensioner who had contacted him. All the office bearers then reported about activities at their level in strengthening the organisation. Financial Secretary presented a simple income/expenditure report. GS then reiterated the earlier decisions of CHQ office bearers meetings that in spite of having meagre bank balance at CHQ and high legal expenses, there was no need to go for donations and members will rise to the occasion if and when CHQ needs financial support. The meeting decided that details of SAMPANN related grievances of MP Circle pensioners served by CCA Maharashtra & Goa be collected and sent to CHQ so that OS (W) Shri Rajan Rajopadhye can bring them to the notice of CCA MH & Goa visiting Kolhapur on 7th June 2024. The meeting ended with the President thanking all the office bearers for the collective functioning.

Issues taken up

21.06.2024: AIBSNLREA REPRESENTS TO THE FINANCE MINISTER, GOI REGARDING RELIEF TO SENIOR CITIZENS/PENSIONERS IN THE UPCOMING UNION BUDGET :

AIBSNLREA has drawn the attention of the Hon'ble Minister of Finance to the facts that "In the recent years, Pensioners' income from interest on deposits has steeply eroded, while the cost of living has been peaking, leaving them most vulnerable to financial crisis. The reliefs being offered in Income Tax is paltry compensation compared to their financial woes" and has suggested some measures to be incorporated in the upcoming budget. [View the letter](#)

19.06.2024: AIBSNLREA WRITES TO THE CGCA, DOT, NEW DELHI REGARDING DISCREPANCIES IN THE PROCESS OF DOWNLOADING FORM 16 FROM CGCA WEBSITE, CAUSING INCONVENIENCE TO THE PENSIONERS:

AIBSNLREA has drawn the attention of the CGCA, DoT, New Delhi to the discrepancies noticed in the process of downloading Form 16 from CGCA website, causing inconvenience and anxiety to the BSNL pensioners and requesting him to do the needful for necessary corrective action in the software so as to make the process user-friendly and also to ensure that Form 16 is presented for download with details of payment of pension even in cases where there was no TDS recovered. 18.06.2024: AIBSNLREA REPRESENTS TO THE MINISTER OF COMMUNICATIONS ON SOME VITAL ISSUES PERTAINING TO BSNL PENSIONERS:

After conveying our warm welcome earlier to the new Minister of Communications, AIBSNLREA has now submitted a representation highlighting a few important issues for betterment of BSNL, its employees and the BSNL pensioners - early launching of 4G, pay revision of BSNL employees and Pension Revision of BSNL absorbed pensioners - seeking his urgent attention and definitive action, as solutions to these issues are neither complex nor impossible. 14.06.2024: AIBSNLREA WRITES TO THE CHAIRMAN CBDT REQUESTING CLOSURE OF NOTICES ISSUED UNDER SECTION 154 CLAIMING ADDITIONAL TAX ON LEAVE ENCASHMENT FOR LEAVE EARNED DURING DOT PERIOD, CASE OF BSNL ABSORBED PENSIONERS:

AIBSNLREA has drawn the attention of the Chairman, CBDT, to the facts that the action by IT department under Section 154 is violative of Section 10 (10AA) (i) of IT Act. All the assesses who received notice on this count had duly submitted their reply mentioning about the BSNL letter on the subject and the Income Tax Appellate Tribunal, Mumbai orders. Although no further action has been taken by the Income Tax authorities, there are instances where the additional tax is recovered wherever the assessee is eligible for refund. Non-closure of the notices continues to be a sword of Damocles hanging over their head with adverse action against them by the IT department at any point of time in the future. This has led to a situation where the concerned assesses are in constant stress. AIBSNLREA has requested the Chairman CBDT to direct the officials in CPC Bangalore to withdraw/close the notices issued in violation of the IT Act and also stop harassing the BSNL pensioners by recovering the alleged additional tax in lieu of refunds due. 13.06.2024: AIBSNLREA REPRESENTS TO THE MINISTER OF HEALTH & FAMILY WELFARE REQUESTING TO DIRECT DG CGHS TO WITHDRAW THE OMS MANDATING CGHS BENEFICIARIES TO LINK THEIR CGHS CARD WITH ABHA CARD:

AIBSNLREA has drawn the personal attention of MoH&FW to two Office Memoranda issued by the Directorate of CGHS making it compulsory for CGHS beneficiaries to link their CGHS card with ABHA card (Ayushman Bharat Health Account card), when the ABHA scheme is voluntary to every other citizen of India. Pointing out that CGHS has not been able to indicate any benefit to the CGHS beneficiary in such linking except that the medical records can be stored digitally and shared with hospitals and that no reason has been stated as to how the CGHS functioning will improve because of this linking, AIBSNLREA has requested him to cause withdrawal of both the O.M.s issued by CGHS Directorate, as there is not an iota of justification in compelling the CGHS beneficiaries to link their CGHS identity with ABHA and also because CGHS beneficiaries cannot be singled out when the ABHA scheme itself is only a voluntary one for the citizens of India. 11.06.2024: AIBSNLREA REPRESENTS TO THE PRIME MINISTER OF INDIA ON SOME VITAL ISSUES PERTAINING TO PENSIONERS:

While conveying our Greetings to the Prime Minister on his assuming charge for the third consecutive term, AIBSNLREA also has drawn his attention to the fact that contrary to his advocating the cause of pensioners by giving top most priority to dignity, financial security and wellbeing of senior citizens, some important grievances of the pensioners remain unsettled mainly due to Department of Expenditure either rejecting or sitting over vital recommendations of a Standing Committee of Parliament and some court judgements.

AIBSNLREA has resubmitted some of these grievances, with a renewed hope that he will personally look into them and direct the Ministry of Finance and other Ministries concerned to re-examine the issues with the single objective of respecting and honouring the elders instead of viewing these issues with narrow economic considerations.
