Subject:- Unending delay in settlement of pending disciplinary /vigilance cases against the pensioners- creation of an effective mechanism for speedy and time bound disposal thereof:

It is intimated that a section of senior citizens, after their retirement continue to suffer for years because of non-settlement of the disciplinary/vigilance cases initiated against them while in service. In addition in many cases, the charge-sheets are served on the last day of their service. These cases continue for years together without any hope of finalization in a reasonable time span. Their pensionary benefits are also withheld by granting them only a provisional pension which is insufficient for leading a decent life hood. As such, they face immense problem to handle their family and social commitments with the meager amount at their disposal and in absence of any other source for further reasonable income. The anxiety and tension created on this account also tells upon their health.

No doubt, the Central Vigilance Commission has laid down central general guidelines for timely disposal of disciplinary/vigilance cases against the employees in general, but these are hardly being followed. But there are no special guidelines or mechanism in place for time bound disposal of the disciplinary /vigilance cases against the retiring/ retired employees (pensioners). No one take into considerations the need to settle these cases on time to give mental and financial relief to this section of the senior citizens. Thus, this section of the senior citizens has to lead the rest of the life under several mental depressions.

Under the above back ground, it is requested to kindly devise a special mechanism and a monitoring system for time-bound disposal of disciplinary/vigilance cases against the retiring/retired employees. In no case, the settlement of the cases is delayed for more than five years.

In view of above points you are therefore, requested to peruse the disciplinary/vigilance cases against the retiring/retired employees to settle their cases timely.

This issues with the approval of CVO, BSNL.
