No.CGHS/JPR/11-6/2023(Admn.)/ २२८   Dated: 12.04.2023

To,

Sh. R.R. Balasubramanian,
Flat No. 6, Second Floor,
10/41, Sowrashtranagar,
7th Cross Street, Choolaimedu,
Chennai, Tamilnadu.

Sub: Grievance No. DHLTH/E/2023/0003747 dated 22.03.2023.

Sir,

With reference to your abovementioned grievance in respect of Jodhpur WC, it is stated that the BSNL building situated at Manji ka Hatha Jodhpur has been earmarked to shift the Jodhpur Wellness Centre to the ground floor. All the necessary proceedings in this regard have been initiated and hopefully it will be completed shortly.

Doctors can be posted at the wellness Centre as per its sanctioned strength. Presently Jodhpur Wellness Centre has the sanctioned strength of three doctors and three doctors are already posted at Wellness Centre Jodhpur. A doctor who was given the monitoring work of NHA bills has also started seeing patients. Considering the daily attendance of patients in the wellness centre, a letter will be written to the Ministry to remove her from the work of NHA.

For Ayurvedic treatment, you can take treatment in any state government hospital in Jodhpur and submit your bill to this office for reimbursement.

In regard to the empanelment of hospitals, only those hospitals having NABH/NABL Certificates can apply for empanelment. At present 13 hospitals of Jodhpur have been empanelled and 3 more hospitals are under process for empanelment viz. Chandra Mangal Hospital $ R.C., Yash Aman Hospital, Manidhari Hospital and Maloo Neuro Centre.

Cashless facility is not available in any AIIMS all over India, however, bills pertaining to treatment taken in Govt. hospitals are passed on a priority basis.
