Sub.: Clarification sought from Corporate Office on Visit Report for hospitalization.
Ref.: I. Your Office letter UPWCO-11/21(11)/2/2020-ADMIN UPW dated 22.09.2023
II. BSNLCO-ADMN/11(15)/2/2020-ADMN dated 22.01.2021

Kindly refer to letter under reference vide which clarification/guidelines sought from Corporate Office on visit verification for hospitalization under emergency.

I am directed to state that case is examined at Corporate Office and decided that in case of indoor treatment undertaken by employees (serving/retired) of field units and their dependents in emergency conditions and/or verification of hospitalization was not carried out for any reason, CGMs are authorized to exempt the visit report condition based on justification/merit.

This is issued with approval of Competent Authority.
